

District 19

Annual General Meeting

Technology and Innovation in Gardening

Our speakers will focus on how to use technology to gain exposure for your society through social media and websites. We will provide answers on how your organization can benefit from on-line payments, mobile credit card readers and answer your questions on set up and security. If you have specific questions on these topics, please email them to waterloogardeners@gmail.com.

May 4, 2019, 9:00am-1:00pm
